Subject: Re: Pre-submission meeting in early December

Tricia,

It looks like Monday the 10th is the best day for us. A large number of us are out of the office on the 7th. I will provide you a time tomorrow morning.

Thanks.

Eric

Hi Eric,

Oxitec plans to submit an EUP application for its 2nd generation *Aedes aegypti* mosquito, OX5034, and we would like to request a pre-submission meeting in early December. Given that Oxitec will be in Florida during OPP's visit on 3-6 December, we would like to propose a meeting for Friday, 7 Dec or Monday, 10 Dec at EPA's office.....if possible, our preferred date is 7 Dec. Please let us know if any of these dates work for you.

As discussed, Keith will be in touch to arrange a drop off time.

With best regards,

Tricia
